

PARTNERING FOR HEALTH

The Mission Health Care Auxiliary Society pledged \$300,000 to our campaign for The Residence in Mission, the new 200-bed complex care facility next to Mission Memorial Hospital.

Arthur Van Pelt and family's gift in memory of wife and mother Susan Van Pelt was used to purchase 2 CADD pumps for oncology at Abbotsford Regional Hospital.

The Fraser Valley Shrine Club's gift paid for a crash cart at Chilliwack General Hospital Maternity, and supported the Elementary School Program at Fraser Hope Lodge.

A generous gift to Chilliwack General Hospital by Robert and Marion Longfellow (Fashion Furniture Buy Longfellow) was used to purchase 5 Vital Sign Monitors and 10 Staxi Wheelchairs.

Shoppers Drug Mart Life Foundation's Tree of Life program, supporting women's health initiatives across Canada, gave to the Crystal Gala Breast Health Unit at Abbotsford Regional Hospital.

The Fraser Valley Health Care Foundation received a Variety Club grant for a 24-seat Sunshine Coach for Fraser Health's Adolescent Day Treatment Program.
