## 2ND ANNUAL DAY OF MEDICAL ENLIGHTENMENT

When you give back to Fraser Valley Health Care Foundation, you can see real change and the impact your donation makes in your community!

Visit [www.fvhcf.ca/ways-to-give](http://www.fvhcf.ca/ways-to-give) on the many ways YOU can support your local hospital and enhance health care in your community.

On Sat, Sept 30<sup>th</sup> we held our 2<sup>nd</sup> Annual “Day of Medical Enlightenment” at the Quality Inn, Abbotsford. The day is part of an education series hosted by the Foundation which endeavours to bridge the gap between health practitioners and the public, allowing for questions and creating a forum for discussion.

Physicians, Nurses and other Health Care Professionals presented on a number of topics – medical simulation, stroke, diabetes, anesthesiology, radiology, forensic nursing, mental health, prostate and cervical cancers. Our lunch time speaker was Deputy Chief Mike Serr from the Abbotsford Police Department who presented on the opioid crisis.

The Foundation strives to eliminate any/all barriers so everyone feels welcome to participate. A complimentary lunch, coffee and tea are served to all those in attendance.

Community organisations like the Alzheimer’s Society, businesses like Live Well and Fraser Health programs like Public and Home Health set-up booths allowing individuals to ask questions and gather information.

THANK YOU TO OUR SPONSORS

## LAST YEAR, WE REACHED OUT

to the community of Mission looking for donors that might be interested in working on a garden project that would change the façade of Mission Memorial Hospital. Many donors stepped up and offered their assistance. We would like to thank the following donors for their generous contribution to this project; The Gorilla Gardeners, Keep It Green Landscaping, Fraser Valley Rona, W. Mader Construction, Leahigh Cement, Amanda Siwek, Dalton Hopley, and Facilities at Mission Memorial Hospital.

It 'takes a village' to make change and this just shows what a difference this community has made at Mission Memorial Hospital.

## THE BRICK IN CHILLIWACK

stopped by with Brickley Bears for the Pediatric Observation Unit at Chilliwack General Hospital. These will be given out to the children who are in the unit.

Thank you to The Brick Chilliwack for putting a smile on kids faces!
